

Peachy Belts

Handcrafted Italian leather belts with detachable buckles

www.peachybelts.co.uk

A life wearing jeans and an appreciation of luxurious leather sparked my inspiration for Peachy Belts. I set out to create a range of gorgeous belts with easily interchangeable buckles enabling you to simply snap on a new buckle to change your look.

Seasonal belt colours and buckles, plus the core range are available year round, but watch this space, I am introducing **NEW Limited Edition styles**, exciting belts and buckles that will be launched during the year. To be the first to hear about Peachy Belts' Limited Editions, register for our email updates at www.peachybelts.co.uk NOW and don't forget to follow us on social media.

My aim is to ensure that you buy the perfect belt for you – the ultimate accessory that works well with your existing wardrobe and brings luxury to your look. I want you to get maximum wear from your belt and buckle and ensure that shopping with Peachy Belts is fun and easy. Please ALWAYS call us if you are unsure, or just want to chat through the best choice for you.

I love my new range and am passionate about using the finest Italian leathers for my belts which are all handmade in England. Peachy Belts – never have belts looked so good!

Simply Peachy - a great present!

Black belt and Silver classic buckle £55

These jeans belts are a great present or introduction to the Peachy range. Made from quality, unlined Italian leather; they have the same detachable buckle system as the rest of the range and come with the classic oval buckle seen here in brushed silver or gold.

Sizes small (29 – 35 inches), Medium (33 – 39) Large (37 – 43) in black and brown.

Brown belt and Gold classic buckle £55

Also for Men...

30mm grey ostrich belt with simple silver buckle £75

All of our belts are unisex and we carry up to size 46" / 115cm in stock and can make other sizes to order. Men often wear the simple buckle that the belt comes with. The 30mm belt is useful for fitting through chino and suit loops which can be a bit narrower.
