Seasonal belt colours and buckles, plus the core range are available year round. New Limited Edition styles will be launched throughout the year. To be sure you hear about new ranges' register for our email updates on the website or follow us on Instagram or Facebook.

My aim is to ensure that you buy the perfect belt for you – the ultimate accessory that works well with your existing wardrobe and brings luxury to your look. I want you to get maximum wear from your belt and buckle and ensure that shopping with Peachy Belts is fun and easy. Most belts are held in stock in the sizes shown here and measurements are given to the middle hole on the belt, they all have 7 holes other than the skinny belts that have 5. If you measure an old belt, go from where the buckle meets the leather, to the hole that you do it up onto – **IT IS NOT THE TOTAL BELT LENGTH!**

There is a video that explains how to measure yourself on the website or please call if you would like help. Any thing can be changed if you get it wrong and it is unworn!
