A life wearing jeans and an appreciation of luxurious leather sparked my inspiration for Peachy Belts. I set out to create a range of gorgeous belts with easily interchangeable buckles, enabling you to simply snap on a new buckle to change your look.

Seasonal belt colours and buckles, plus the core range are available year-round. New Limited Edition styles will be launched throughout the year. To be sure you hear about new ranges, register for our email updates on the website or follow us on Instagram or Facebook.

My aim is to ensure that you buy the perfect belt for you – the ultimate accessory that works well with your existing wardrobe and brings luxury to your look. I want you to get maximum wear from your belt and buckle and ensure that shopping with Peachy Belts is fun and easy. Please ALWAYS call us if you are unsure, or just want to chat through the best choice for you.

I love my new range and am passionate about using the finest Italian leathers for my belts which are all handmade in England. Peachy Belts – never have belts looked so good!

How to Measure Yourself - Call us if you need help!

Most belts are held in stock in the sizes shown here and measurements are given to the middle hole on the belt, they all have 7 holes other than the skinny belts that have 5. If you measure an old belt, go from where the buckle meets the leather, to the hole that you do it up onto – **IT IS NOT THE TOTAL BELT LENGTH!**

There is a video that explains how to measure yourself on the website or please call if you would like help. Any thing can be changed if you get it wrong and it is unworn!
